# Coosa Valley

 FloydCounty Campus  PolkCounty Campus  Gordon County Campus

www.cvtcollege 1-888-331-CVTC (2882) Message from our President

#### Welcome,

I want to personally welcome you to our campus. We hope the information contained in this publication will be of help to you as you plan and pursue your chosen program of study at Coosa Valley Technical College. New and familiar faces appear on our campus each year as individuals take on their serious task of pursuing career education.

While at CVTC, your willingness to learn and our ability to teach should instill in you valuable information to aid you in living a full and rewarding life. In addition,

Craig McDaniel President

Coosa Valley Technical College is more than just classrooms, laboratories, and shops. It is a community in itself — offering services, student organizations, and many other activities outside of classes. By taking advantage of these activities, you can draw the experiences, social awareness and confidence that will assist you long after your graduation.

Take a few minutes now and review our services, activities and the inevitable rules and regulations that govern our campus. Hopefully, the information contained in the following pages will make your introduction to our campus considerably less hectic and will direct you to groups that meet your needs for involvement and friendship. We strongly urge you to use the services and activities at Coosa Valley Technical College and to participate as freely as your schedule permits.

On behalf of the faculty, administration, our board of directors, the state board and staff, I wish you every success in your chosen career education program. My staff and I are here to help you achieve your goals and enhance your studies, so don't hesitate to call on us if you need assistance

> Craig McDaniel President Coosa Valley Technical College

# How To Pay for CVTC Three Easy Steps!

 Step One: You will receive financial aid information during admission testing or you may contact the financial aid officer at Coosa Valley Technical College for financial aid information.

• Step Two: You should complete the Free Application for Federal Student Aid (FAFSA) to apply for the Pell Grant. If you need help after the instructions or don't understand a question, please call the financial aid office at 295-6936 for help. Be sure to bring a copy of your latest income tax return.

Step Three: Bring your completed financial aid application to the information desk or to the student services office for processing. Your completed application will be submitted to the central processing center electronically. Approximately 2-3 weeks after your application is filed, you will receive your student aid report (SAR) by mail. If you need to make any corrections, please bring your SAR to the financial aid office. Otherwise, CVTC will receive the information electronically, and you may retain your SAR for your records.

> Student Services Office of Financial Aid

> > 706-295-6942

#### STUDENTS WITH DISABILITIES

If you require any special accommodations, please notify your instructor or the ADA Coordinator. Hearing impaired individuals may communicate with the school by calling 1-800-255-0056. Also see page 41, Compliance.

#### EQUAL OPPORTUNITY

Coosa Valley Technical College does not discriminate against any eligible applicant on the basis of race, color, sex, religion, national origin, disability, age, or marital status. The school supports Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973. For details, see page 54.

### Enrollment categories and credentials awarded for degree, diploma and certificate programs

Degree Credit - This category includes programs and courses listed in the catalog that lead to an associate of applied technology degree.

Diploma Credit - This category includes programs and courses of study listed in this catalog that lead to a diploma.

Certificate Credit - This category includes programs and courses of study listed in this catalog that lead to a technical certificate.

Institutional Credit - This category includes review or developmental studies classes which are prerequisite to your admission to regular credit coursework.

#### ADMISSIONS

#### Admissions Policy

Applicants are admitted on a first-to-qualify/spaceavailable basis. Those who are not admitted must reapply or update their application for admission by specifying a new entry date.

#### **Requirements for Admission**

Age - The applicant must be 16 years of age or older. Cosmetology and the health occupations programs require applicants to be 17 years of age or older.

Education - Non-high-school graduates are admitted to all diploma/certificate programs as either regular or provisional students.

NOTE: Students will not be allowed to graduate and receive a diploma from any full-time instructional program offered by Coosa Valley Technical College until they have first earned a high school diploma or GED certificate. GED preparation is available at Coosa Valley Tech.

Students must have a high school diploma or a GED to be admitted to an associate degree program.

Testing - Degree/Diploma/Certificate program applicants must be tested to determine regular or provisional admission status. Applicants will not be refused admission based upon admission testing.

**Physical Well-being** - An applicant should be physically able to attend school regularly and to perform ordinary class and laboratory functions that are required by the program of study.

#### Admission Procedures

- If you are seeking to enter a degree, diploma or technical certificate program, report to the Administrative building for testing and completion of application materials.
  - For test dates/times, call:
  - Floyd County Campus 706-295-6702 before 9 p.m.
  - Gordon County Campus 706-624-1100 before 9 p.m.
  - Polk County Campus 706-684-5696 before 9 p.m.

 A nonrefundable \$15.00 application fee is due when an applicant is accepted.

#### Transfer Students

Transfer students who were regularly admitted and who were in good standing in a regionally accredited diploma or degree institution may be admitted upon proper completion of application and related procedures.

#### Advanced Placement

Credit for high school, college, or technical school courses may be granted by Coosa Valley Technical College following a review of an official transcript and/or performance testing by a member of the Coosa Valley Technical College faculty.

#### Admissions Appeal

Applicants who feel that they were unjustly denied admission to Coosa Valley Technical College may appeal to the VP of Student Services. See: Grievance Procedure in this publication.(page 41)

#### Postsecondary Options Program

High school seniors may attend Coosa Valley Technical College in lieu of returning to their regular high school during their senior year. With satisfactory progress, those participating in this program will earn a diploma from Coosa Valley Technical College in addition to their high school diploma.

To Qualify: One must have written certification of eligibility from the high school counselor and there must be evidence that the student is qualified to successfully complete the curriculum in which he/she is seeking to enroll. Admission will be based upon 1) evaluation of high school record, 2) recommendation of H.S. counselor, 3) admission test scores.

Credits: For each quarter's work successfully completed at CVTC, an equivalent number of high school credits is earned toward the graduation requirement of the local board of education. Credit is also earned toward completion of CVTC program requirements. One Carnegie unit equates to 7.5 quarter hours of work at CVTC.

#### Tech Prep Program

Coosa Valley Technical College has agreements with many area high schools that allow their graduates to receive credit at CVTC for certain courses completed at the high school level. To receive tech prep credit at CVTC, a student must meet admissions requirements and have a properly completed Tech Prep Agreement.

#### Veterans Requirements and Procedures

Veterans and other eligible students receiving Veterans Administration educational entitlement are required to comply with the admissions, academic, and attendance regulations that have been established for all students at Coosa Valley Technical College. In addition, those receiving veterans educational benefits must:

1. Seek credit for all previous training or experience which could be applicable to their chosen program of study. All previous training must be reported and evaluated for possible credit. A transcript or other documentation of training must be submitted with the individual's eligibility papers. Written notice will be given by the school granting or denying such credit. 2. Once admitted to Coosa Valley Technical College, recipients of VA benefits must comply with the school's attendance regulations and report any schedule changes to CVTC's Veterans Assistance Officer. Such changes include:

a. Dropping or adding subjects.

b. Transferring from full-time to half-time status (or viceversa).

c.Withdrawing from school.

Any overpayment to a student receiving VA benefits that results from the student's failure to comply with these regulations will become the student's obligation for repayment.

#### **CLASS SCHEDULES - Rules and Regulations**

#### Advisement

An advisement program is conducted for new students each quarter. During advisement, students are assisted with course selection and program planning.

This new student catalog or a student handbook is provided to all students to acquaint them with the school. It is the student's responsibility to become familiar with the contents of these publications.

#### Late Registration

Except for programs offering individualized instruction, day students may not enroll after the first three days of classes.

Evening students may not enroll after the first week of the quarter. Students who enter classes late may be required to make up the work that was missed. A late charge fee will be assessed after the last registration date for returning students.

#### Schedule Changes

During the first three days of day classes, students may make changes in their class schedules without academic penalty. All schedule changes should be initiated with your advisor/instructor, properly recorded, and approved by Student Services.

#### Abandoning Course Work

A student who discontinues attendance or registers and fails to attend a course and does not complete an official withdrawal form will be considered actively enrolled through the ending date for the course.

Abandoning a course instead of following the official withdrawal procedure will result in a grade of **F** at the end of the course.

#### Dropping a Class or Classes

Withdrawal from a class will result in one of the following symbols being reported on your record: WP - Withdrew Passing WF - Withdrew Failing WD - Withdrew on or before midpoint of the class schedule

See Satisfactory Progress (page34) to discover how these symbols will affect your grade average. See Veterans Attendance to see how eligibility is affected. A student should complete a *Drop/Add* form which is available in the Student Services Office.

*Note:* The last day on which a student may officially drop a class is the 40th day of the quarter.

#### Withdrawal From School

Students withdrawing from school *must* fill out *an* official withdrawal form. Official withdrawal forms may be obtained from the Office of Student Services. Students who withdraw are classified in good standing or not in good standing.

Students who withdraw while not in good standing are subject to restrictions on their readmission. These restrictions always involve probation and are generally imposed prior to withdrawal by the student. Refer to the refund policy herein.

#### **Program Transfers**

Students who wish to transfer to another program at CVTC must complete a *Request for Transfer* form and have it approved by the proper school personnel.

 Students who wish to transfer from day to night or vice versa or transfer campuses must complete a *Request for Transfer* form and have it approved by the proper school personnel. Transfers in this category may affect financial aid and VA recipients due to a change in the hours attended.

#### **SCHOOL EXPENSES**

#### Tuition and Fees

In addition to the \$15 application fee Coosa Valley Technical College charges the following tuition and fees, payable quarterly:

| Registration \$21  | a quarter for degree diploma<br>and/or technical certificate<br>classes                            |
|--------------------|--|
| Activity Fee: \$20 | a quarter for 12 or more hours;  |
| \$10               | a quarter for less than 12 hours   |
| Insurance Fee: \$4 | Accident Insurance Fee   |
| Late Fee: \$10     | assessed to all schedule students<br>after the last registration date.                             |
| Tuition: \$288     | for full-time which is 12 quar-<br>ter hours or more. Less than<br>full-time \$24 per quarter hour |

Note: Tuition and Fees are subject to change without notice.

#### **Out-Of-State Charges**

(Does not apply to residents of Alabama) Nonresidents pay double tuition. Nonresidents (except from Alabama) are those who have not lived in Georgia continuously for the twelve months preceding registration for classes at CVTC. Foreign nationals pay tuition at 4 times the rate for residents.

#### Senior Citizens

Georgia residents 62 years of age and older do not pay tuition for diploma courses.

Insurance

Accidents - The school requires all students to be covered by accident insurance. Coverage is provided through a student activity fee that is charged each quarter. The cost of medical treatment, transportation, and related expenses not covered by the insurance will be the responsibility of the student.

Liability - All allied health students are required to obtain professional and personal liability insurance for coverage in the internship/clinical education and training areas which are a required part of each of these programs. Coverage is provided by a nominal fee assessed to the student during registration for course work that begins clinical or internship training.

#### **Refund Policy**

The Georgia Department of Technical and Adult Education has established the following refund policy and procedure. All luition and fees, excluding application fee, shall be refunded to an applicant or a financial aid source if a student formally withdraws prior to the first day of class of any quarter. Seventyfive percent (75%) of tuition and fees will be refunded to the student or the financial aid source if a student formally withdraws within 7 consecutive calendar days from the first day of the quarter.

Students attending an institution for the first time who receive assistance under Title IV of the Higher Education Act of 1965 as amended are entitled to a pro-rata reflund of that portion of the fullion, fees, room and board, and other charges assessed the student by the institution equal to that portion of the period of enrollment for which the student has been charged that remains on the last day of attendance by the student up to the sixty percent (60%) point (in time) in the period of enrollment.

Procedure - To a copy of the withdrawal form, attach a request for refund form and a copy of the payment, receipt and present them to the school's accounting office. Refunds will not be made if there is previous indebtedness to the school or if the request does not follow correct procedure.

#### **Our Mission**

Coosa Valley Technical College contributes to the economic and workforce development of northwest Georgia, specifically Floyd, Gordon, and Polk County Campuses, by providing quality adult literacy education; technical education at the certificate, degree, and diploma levels; continuing education; and customized business and industry training.

#### **Our Vision**

Coosa Valley Technical College will be a nationally recognized technical college. We will be the school of choice for adults in Floyd, Gordon, and Polk County Campuses whose career goals require adult and/or post secondary technical education. Coosa Valley Tech will pursue this vision through:

- Programs which provide a technically trained workforce for business, industry, and medical centers in our service area
- · Opportunities to gain basic literacy skills
- Seamless, accessible education system among local high schools, the institute, and colleges
- · Opportunities for lifelong learning
- · A wide array of services to meet emerging needs of the student population
- Next generation facilities and equipment which reflects our commitment to quality professional programs and services
- · Faculty who are on the cutting edge of technological training
- Best practices of adult learning to guarantee a quality education for all students
- Beautiful and well-maintained campuses which create a positive, motivating image and a friendly environment for customers
- · Full funding by state, local, federal, and private sources
- Continuous Improvement System which ensures a focus on quality in all areas of our institute

#### Philosophy and Purpose

CVTC is dedicated to the belief that educational training should be provided for all citizens with the major purpose being the preparation of students for successful employment in the business and industrial community.

#### History

Coosa Valley Technical College was established in 1962 through the joint efforts of the Rome-Floyd Chamber of Commerce, local business and industry, city and county Boards of Education, and city and county Boards of Commissioners. From an initial enrollment of 231 full- and part-time students, Coosa Valley Technical College has grown and now serves over 7,000 students annually through day, evening, and off-campus credit, noncredit, and adult education programs.

In July 1987, Coosa Valley Technical College became a unit of the State Department of Technical and Adult Education and expanded its Board of Directors to include members from Polk and Gordon counties.

Funding for construction of a satellite campus in Gordon County was approved in 1993-94and opened in 1997. Deeding of land and funding for a satellite campus in Polk County was approved in 1994-95 and opened in 1999.

## Associate of Applied Technology Programs

#### RADIOLOGIC TECHNOLOGY Associate Degree in Applied Technology Campus Availability

Floyd County Campus

This program leads to an associates degree and requires a minimum of eight quarters for completion with the following schedule. A day class schedule is offered. New students are admitted in summer quarter.

### Associate Degree Programs

Graduates from certain day and evening programs can use their CVTC credit toward an associate applied science degree from Floyd College under an agreement between the two schools. Joint programs have been developed specifically for students in the following diploma areas.

- Business
- · Health Occupations

Students take the required courses for a diploma at CVTC and the quarter hour credits specified for each degree by Floyd College.

### **Diploma** Programs

#### ACCOUNTING

Campus Availability • Floyd/Gordon County Campuses This program leads to a diploma and requires a minimum of four quarters for completion with the following day schedule. Day and evening classes are offered. New students are admitted quarterly. An associate degree option is available. Note: The quarter in which courses are offered may vary; thereby requiring more than four quarters for completion.

# Technical Certificate Programs

#### About Certificate Programs:

Coosa Valley Technical College offers a number of technical certificate programs for students whose job performance would be enhanced by short-term, skill specific training. For the most part, coursework leading to a technical certificate is taken from existing diploma programs and can be used toward a diploma. Technical certificate programs are taught by current faculty or adjunct instructors with special expertise.

#### Tuition & Fees For Technical Certificate Classes:

Tuition will be charged per credit hour scheduled. Classes taught as a part of the regular diploma schedule will be at \$24 per credit hour. Due to the extra expense of hiring adjunct instructors, tuition for Manufacturing Processes Certification, and Certified Customer Services Specialist technical certificate classes are expected to be higher than that charged for regular diploma classes.

## ACADEMIC INFORMATION

## The Grading System\_

Class participation, tests, and final exams are the major factors contributing to a student's grade. You should receive a syllabus which explains the requirements of the course and how grades will be determined.

| 90-100 | A | INC | Incomplete                                       |
|--------|---|-----|--|
| 80-89  | В | IP  | Class in Progress                                |
| 70-79  | С | WP  | Withdrew Passing                                 |
| 65-69  | D | WF  | Withdrew Failing                                 |
| 0-65   | F | WD  | Withdrew on or before<br>midpoint of the quarter |
|        |   | AU  | Audited Course                                   |

#### Academic Status

A quarterly Grade Point Average (GPA) will be calculated at the end of the quarter based on the letter grades A, B, C, D, or F and the credit hours attempted and passed.

The following terms related to academic status define satisfactory / unsatisfactory academic progress and are used to establish academic eligibility for financial aid:

Good Standing - The term academic good standing means that a student is eligible to enroll or reenroll.

Satisfactory Academic Progress - Students are considered to be making satisfactory academic progress if they are in good standing or on academic probation.

Unsatisfactory Academic Progress - Students are considered to be making unsatisfactory academic progress if they have been placed on academic suspension because of quarterly grade point averages. Students on academic suspension are not eligible for financial aid.

Academic Probation - A quarterly GPA below 2.0 will place the student on academic probation.

Academic Suspension - A student on probation who fails to attain a quarterly GPA of 2.0 while on probation is subject to a quarter's suspension. Students with a cumulative GPA (based on two or more quarters work) below 2.0 will be placed on academic suspension for one quarter. If a student is suspended from a program area for a second time, the suspension will be for a period of one year. Students on academic suspension are not eligible for financial aid.

#### President's List

A quarterly GPA of 4.0 with a course load of at least six credit hours will place a student on the President's List for that quarter.

**Director's List** - A quarterly GPA of 3.5 to 3.9 with a course load of at least six credit hours will place a student on the Director's List for that quarter.

#### Work Ethics Grades

An important area of student development is work ethics or good work habits - such as punctuality, dependability, initiative, integrity, attitude and attendance. In order to aid in development of work ethics, the student is given a work ethics grade in each course along with his/her course grade.

The work ethics grade is a no-credit grade but is recorded on the student's permanent grade record.

#### Training Continuance Policy\_

The faculty at Coosa Valley Technical College reserve the right to determine a student's fitness to continue in a training program. Failure to follow specific training instructions or to perform the practical aspects in a training program may result in a grade of zero and/or dismissal from school.

#### Calculating Academic Progress\_

Letter grades are posted to the student's record except in those cases where the symbols IP, INC, WP, WF, and WD are used to indicate that a course was not completed during the grading period. For the purpose of calculating a grade point average, the following point values shall be assigned for these letters.

| A | - 4 | points | IP  | - | Not Computed  |
|---|-----|--------|-----|---|---------------|
| в | - 3 | points | INC | - | Not Computed  |
| С | - 2 | points | WP  | - | Not Computed  |
| D | - 1 | points | WD  | - | Not Computed  |
| F | - 0 | points | WF  | - | Computed as 0 |

An INC or IP symbol that is not replaced by a letter grade during the grading period that follows, will result in the substitution of a grade of Failure (F) on the student's permanent record for courses with such symbols.

#### Course Transfer Or Exemption\_

Courses taken outside the Georgia Technical and Adult Education system are selectively accepted for transfer on the basis of similarity in competency areas as determined by the relevant program faculty and admission officers.

Advanced standing in or exemption from a course may be available by testing. Check with the individual instructor or advisor. Transfers from other technical schools or colleges must be in good standing with that institution.

#### High School Diploma/GED Graduation Policy

Students will not be allowed to graduate and receive a diploma from any credit program offered by CVTC until they have first earned a high school diploma or GED certificate. This policy was approved by the CVTC Board of Directors effective July 1, 1989. In order to receive a CVTC diploma, a student cannot transfer more than 50% of the required course work from another school. Students must have a high school diploma or GED prior to entering an associate of applied technology degreee.

### Attendance Policy\_

Students are expected and encouraged to attend each scheduled class. Requirement for class attendance will be stated in the course syllabus prepared by the instructor and distributed during the first week of class.

Absences and tardies will become a part of the student's record through the work ethics grade. It is recognized that there may be times when a student will be unable to attend class. In such cases, it is the student's responsibility to make arrangements with the instructor concerning the completion of work missed. All makeup work will be at the discretion of the instructor.

Because regular attendance is sometimes a critical factor when an employer reviews a student's record, such records may be amended to reflect makeup work and /or reasons for excessive absenteeism.

# STUDENT CONDUCT

#### Conduct Irregularity

A student is subject to disciplinary action by the school which may include **suspension or expulsion** for commission of any of the following violations on the property of Coosa Valley Technical College or at any function authorized, sponsored or conducted by Coosa Valley Technical College.

Alcoholic Beverages - Possession, consumption, or furnishing of alcoholic beverages on CVTC property is prohibited.

Damage to Property-Malicious damage or destruction of property belonging to CVTC or to a member of, or visitor to, CVTC community is prohibited.

Dishonesty - Academic integrity is a necessary part of the learning experience. Academic dishonesty, cheating, plagiarism, copying or tampering with computer files or programs and providing false information to the institution will subject the student to disciplinary action, including suspension or expulsion.

#### **Disorderly Assembly**

 No person shall assemble on campus for the purpose of creating a riot or destructive or disorderly diversion which interferes with the normal educational process and

operation of CVTC.

2. No person or group of persons shall obstruct the free movement of other persons about the campus,

interfere with the use of CVTC facilities, or prevent normal operation.

The abuse or unauthorized use of sound amplification equipment indoors or outdoors during class room hours is prohibited.

#### **Disorderly Conduct**

 Behavior which disturbs the academic pursuits, or infringes upon the privacy, rights, or privileges of other persons is prohibited.

2a. No person shall push, strike, physically assault or threaten any member of the faculty, staff, student body, or any visitor. Nor shall any person or persons harass or attempt to harass by banter, ridicule, criticism, humiliation, or any other unreasonable physical or mental technique any other member of the CVTC community, individually or collectively.

2b. No member of the CVTC community may sexually harassanother.

 Drunken misbehavior on or in CVTC property or functions sponsored by CVTC or any recognized CVTC organization is prohibited.

#### **Falsification of Records**

- 1. Each person must complete any CVTC record honestly.
- 2. No person shall alter, counterfeit, forge or cause to
- be altered, counterfeited or forged any record, form,
- or document used by Coosa Valley Technical College.

#### **Drugs and Narcotics**

 The use, possession, or distribution of narcotics, amphetamines, barbiturates, marijuana, hallucinogens, and any other dangerous or controlled drugs, not prescribed by a physician, is prohibited on CVTC property or at CVTC sponsored events.

2. Title 20-1 of the Official Code of Georgia Annotated states that any student of a public educational institution who is convicted, under the laws of the state, the United States, or any other state, of any felony offense involving the manufacture, distribution, sale, possession, or use of marijuana, a controlled substance, or a dangerous drugs shall as of the date of conviction be suspended from the public educational institution in which such person is enrolled. Except for cases in which the institution has previously taken disciplinary action against a student for the same offense, such suspension shall be effective as of the date of conviction, even though the educational institution may not complete all administrative actions necessary to implement such suspension until a later date.

Use of Internet Policy - Computer and computer resources may be used to support educational activities in which you are participating on CVTC campuses. The non-educational use of games, IRC, chat, e-mail, and the internet is not allowed. Workstations may not be used to access obscene pomographic, offensive, or other inappropriate "adult-oriented" resources. Violators of this policy may be suspended from a class, media services, or the college.

Use of Cell/Digital Phones and Pagers - In order to maintain an environment conducive to learning, cell/digital phones and pagers must be turned off or in quiet mode while in class.

#### Drugs

This statement is designed to emphasize, in fairness to all members of the CVTC community, the serious and/or dangerous consequences resulting from the illegal use, possession or distribution of marijuana, LSD or other mind-altering drugs, and the unauthorized use of drugs, such as amphetamines, barbiturates and tranquilizers, which are sometimes prescribed for medical purposes. While there is admittedly much controversy as to whether or not marijuana should be classified as a narcotic or dangerous drug, the fact remains that the possession or transfer (including gifts) of marijuana, LSD and other mind-altering drugs is illegal under both federal and state laws. And, although the laws may have been modified on charges of possession of minute amounts, most first offenses are felonies and punishable by incarceration of from two to ten years, fines up to \$2,000 and the loss of certain civil rights. The penalty for subsequent offenses is a felony punishable by imprisonment for a period of not less than ten years, with possible life sentence at the discretion of the judge.

Furthermore, it should be noted that agents of the federal and state government are engaged in intensive and thorough investigations on a continuing basis throughout the state. The law requires that when a felony is committed the civil authorities shall handle the situation rather than the CVTC authorities. CVTC must and will fully cooperate and work with the civil authorities; technically the law would say that failure to do so would involve compounding a felony.

Recent state and federal legal action makes it clear that CVTC has an important role to play in creating a drug free campus. It is hoped that this statement will help our students and the entire CVTC community recognize the implications of full accountability and responsibility for their actions. Not only are the legal risks grave, but there are extremely dangerous health risks associated with the use of illicit drugs and the abuse of alcohol. CVTC, through its Office of Student Services and Office of Instructional Services, are prepared to offer information and assistance with any drug or alcohol related problems. *We must have a drug free environment.* 

#### Gender Harassment

Sexual harassment of employees or students in the Georgia Department of Technical and Adult Education is prohibited by Federal law. An offender is subject to dismissal or other sanctions after compliance with procedural due process requirements.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when submission to or rejection of such conduct directly affects employment, continued employment, or academic standing, or offensive working or academic environment. Copies of the Board of Technical and Adult Education Policies and Procedures Statement on Sexual Harassment are available in Administrative Services.

#### **Discrimination Complaints**

Students should report any incident where there is reason to believe that they are victims of discrimination in the areas listed above. Students should also report incidents of sexual harassment whether perpetrated by a fellow student or an employee of the school. See: Grievance Procedure in this publication.

#### Disciplinary Appeal

Students have the right to appeal any action of the school which seeks to discipline their behavior or restrict their participation in ordinary school activities. See: Grievance **Procedure** in this publication.

### GENERAL INFORMATION

#### Student Activities

Students at Coosa Valley Technical College are encouraged to become active in student organizations and to support student activities. Some of the organizations and activities available to students at CVTC are:

VICA - The Vocational Industrial Clubs of America has a chapter on campus that is open to all students.

Student Activity Board - An organization of student representatives from each program area. Membership is added quarterly and generally consists of persons interested in student leadership and planning of activities for the benefit and enjoyment of the student body, involvement in community activities, and school wide improvement that meets the needs of students.

The GOAL Program - Held annually, the Georgia Occupational Award of Leadership features local competition, the selection of four school finalists, a local banquet where a school winner is named, and statewide competition in Atlanta for major prizes and awards. Outstanding students are nominated by their instructors and finalists are selected on the basis of their performance in their respective programs of study and interviews with a panel of judges.

#### Commencement Exercises

Coosa Valley Technical College holds commencement exercises semi-annually. To receive a degree, diploma, or certificate, students are required to complete an *Application for Graduation* form prior to the quarterly deadline published for graduation. This form is available from the Student Services or Instructional Services office.

NOTE: Official proof of graduation is the student's permanent record. This is available from the Student Services office.

### Student Safety\_

Students in shops and labs will be instructed as to the safe operation of tools and equipment. Where required, protective clothing, glasses, hood, and mask are to be worn.

Accidents & Illnesses - All accidents must be reported to the instructor in the area. Students who are injured or become ill should seek first aid from their instructors. Those in need of other medical treatment will be referred to a physician or emergency treatment center. *Insurance* - The school requires all students to be covered by accident insurance. Student coverage is provided through a student activity fee that is charged each quarter. The cost of medical treatment, transportation, and related expenses not covered by the insurance will be the responsibility of the student. Closing School For Weather - When weather is severe, students must decide whether driving conditions are safe enough for them to attend classes. Students will be considered absent, however, if they cannot attend and are responsible for making up any work missed. The decision to close the school due to weather will be made by the President and announced on local radio stations. If in doubt, call the school to find out when classes will be held. The numbers are listed on page 3 of this catalog.

#### Student Records: The Privacy Act

Permanent records on each student are kept in the Student Services Office. Upon written request, students are allowed to inspect their records and challenge any information deemed to be misleading or inaccurate.

Release Of Directory Information - A student's record will not be released to others, except where permitted by law, without the written consent of the student or the student's parent or guardian when the student is less than 18 years of age.

Coosa Valley Technical College, in compliance with the Family Educational Rights and Privacy Act of 1974 as amended concerning student records, will release the following directory information without the consent of the student:

Name • Date of Birth • Dates of Attendance
 Address • Program of Study

Any student or parent who objects to the release of directory information may file an objection in writing with the Student Services Office. Such objection should clearly state what directory information should not be released.

Changes In Name Or Address - Students must notify the Student Services Office of any changes in name or address.

## COMPLIANCE

#### Equal Opportunity Statementy

Federal law prohibits discrimination on the basis of race. color or national origin (Title IV of the Civil Rights Act of 1964), sex (Title IX of the Education Amendment of 1972), or disability (Section 504 of the Rehabilitation Act of 1973, Americans With Disabilities Act, 1990), in education programs or activities receiving federal financial assistance. Employees, students and the general public are hereby notified that Coosa Valley Technical College does not discriminate in any educational programs, activities or in employment policies. The following individuals have been designated as the employees responsible for coordinating the school's efforts to implement this nondiscrimination policy: Title IX, Steve Bradshaw; Section 504 and/or ADA, David Cox. Inquiries concerning these laws should be addressed to the above individuals and mailed to One Maurice Culberson Drive, Rome, Georgia 30161.

#### Grievance Procedure for Complaints

Students or employees of Coosa Valley Technical College should report any incident where there is reason to believe that they are the objects of discrimination because of race, color, sex, age, national origin, or disability. Students and employees should also report any incident of alleged sexual harassment that occurs on campus. To report a complaint, file a written statement with:

Dr. Steve Bradshaw, Title IX, Equity Coordinator Dr. David Cox, Section 504 Administrator/ADA Coordinator

Dr. Dottie Gregg, VP Instruction

This statement must be as specific as possible concerning the (1) complaint and (2) corrective action requested. Unless both of these items are included, the Coordinator/ Administrator can take no further action.

Upon receipt of the specific complaint and action requested, a resolution committee will be formed within three school days to conduct a confidential investigation. Within three days of this committee's adjournment, the Coordinator/ Administrator will inform the inquirer of its findings.

If the inquirer is not satisfied with the committee report, he or she may appeal to the VP for Instruction. Further appeals may be made to the President of Coosa Valley Technical College, its Board of Directors, the State Board of Technical and Adult Education, or the Council on Occupational Education (Phone: 770-396-3898).

#### Gender Equity Statement\_

We at CVTC recognize that gender-role stereotyping, gender bias and gender discrimination have historically influenced the career decisions of young persons seeking preparation for employment. As such, we have determined that—to combat these life- long influences—it is incumbent upon our institution to publicize as widely as possible our:

· encouragement of those choosing nontraditional careers

- · warm acceptance and support for nontraditional students
- special interest in helping women to become self-sufficient

 our support for laws designed to protect special populations from discrimination based upon sex, race, handicapping condition or age.

# STUDENT RIGHT TO KNOW

### Enrollment and Completion Data . Crime on Campus

### Determining The Follow-up Group

To comply with federal regulations, the following information is provided to all persons seeking enrollment at Coosa Valley Technical College as of July 1, 1997. The data is derived from a small portion of the 1994 summer/fall full-time enrollment and includes only those persons identified as being in attendance at a postsecondary school for the first time. Most of those enrolled in this study will have had sufficient time in which to have completed their program of study prior to July, 1997.

### Full- and Part-Time Graduation Data

Two hundred ninty three full-time CVTC students, identified as enrolling for the first time in any postsecondary school, began classes in either the summer or fall quarters of 1994 and could be expected to have completed their studies by July 1997. Of this number:

- 87 completed all requirements for graduation
- 6 were still enrolled and scheduled to complete in FY 99
- 47 completed more than half of the course work in their program
- 153 completed less than one-half of the course work in their program

The completion (graduation) rate for full-time students completing their studies was 30.3%.

Additionally, two hundred nineteen part-time students, identified as enrolling for the first time in any postsecondary school, began classes in either the summer or fall quarters of 1994 and could be expected to have completed their studies by July 1997. Of this number:

- 73 completed all requirements for graduation
- 13 were still enrolled and scheduled to complete in FY 98
- 23 completed more than half of the course work in their program

110 completed less than one-half of the course work in their program

The completion (graduation) rate for part-time students completing their studies was 35.4%.

## CAMPUS SECURITY A report of crime on campus in 2000

| Murder:  | 0 | Aggravated Assault:  | 0 | Liquor Law Violations: | 0 |
|----------|---|----------------------|---|------------------------|---|
| Rape:    | 0 | Burglary:            | 5 | Drug Abuse Violations: | 0 |
| Robbery: | 0 | Motor Vehicle Theft: | 0 | Weapons Possessions:   | 0 |

# FINANCIAL AID

Applicant must be a U.S. citizens or permanent resident in the process of becoming a U.S. citizen. Students who have attended schools beyond high school must provide CVTC with a financial aid transcript from the last school attended - even if they did not receive financial aid.

#### Who To See For Help With Financial Aid

The financial aid officer is Tresa Duck. The financial aid office on the Rome/Floyd County campus is in the Office of Student Services and is open from 8:00 a.m. to 4:00 p.m. Monday through Friday. Personnel in the Student Services office of the Polk and Gordon County Campuses may also assist you in making initial application for aid. You are advised to call for an appointment. The telephone number is (706) 295-6942. In-house students are encouraged to make appointments.

## SOURCES OF AID

**Pell Grant**-Maximum yearly award is \$3,125 and does not require repayment if minimum attendance requirement is met. It is not available to those with a bachelor's degree. The amount of award is based on need. Payment is to the student quarterly. Processing time: 2 to 3 weeks are needed to determine eligibility. Apply at least three (3) weeks prior to beginning of quarter for processing payment. Payment for fees is in the form of a credit, the remainder in a check disbursed at the end of the quarter.

HOPE Grant - (Helping Outstanding Pupils Educationally) provides financial assistance to students attending Georgia institutions of higher learning. The HOPE Program is funded by the Georgia Lottery for Education. Students seeking a diploma or certificate at a Georgia public technical institute will have the cost of tuition and all mandatory fees covered to the extent they are not covered by Pell Grant or other federal grants. Additionally, awards of \$50 to \$100 are made quarterly to cover cost of books.

New Connections/Single Parent Program - Single parents with minor children may get the employability skills they need to enter and succeed in the workplace through this unique program that offers financial support and individualized training. The New Connections program is open to unmarried, widowed, or divorced parents who have custody (or joint custody) of minor children and are either unemployed or greatly underemployed residents of Polk, Floyd, or Gordon counties. Call Bonnie Bowen, New Connections counselor, at 295-6932.

Other Aid - Eligible veterans and their dependents may use VA benefits. Vocational Rehabilitation will sponsor certain students with handicapping conditions.

# CAREER CENTER

Coosa Valley Technical College Career Center offers opportunities to receive career guidance and to learn about employability skills and occupations. Located in room 119 on the Floyd County campus, the Career Center features tools and assistance for career guidance, remediation, and more. The Career Center is currently operated with grant funds.

### **Career** Guidance

· Career Scope - A user friendly computer program that you can use to measure your interest in areas such as business, industrial, mechancal, science, and art. This self-administered inventory takes less than one hour to complete and is available at no cost.

· Georgia Career Information System (GCIS) - An interactive computer database providing information on occupational skills and wages, education and training programs, colleges, scholarships, job search preparation, and more.

· Other Resources- Assistance is provided to connect you to the world wide web, to check out reference books and videos, or to access other career guidance materials.

## Job Readiness/Job Search

Students are coached through the basic operation of GCIS. Oasys, or Career Scope in preparation for a self-directed occupational assessment. Your assessment may include:

- · Job market search · Job retention skills
- Employment listings Interviewing skills
- · Resume writing. Software provides a template and advice for resume preparation, cover letters, and how to respond to interview questions

## **Remediation and Learning Opportunities**

Students have access to user friendly computer software designed to assist in remediating academic and/or life management skills.

- · Life management and parenting skills.
- · Admissions Test Preparation/Review A brief study to prepare you for success with the Asset Test (used for admission to CVT).
- · PLATO A software program that provides remediation in any of the following academic areas:
- · Reading. Mathematics.
   Grammar.

## **Resource Center/Library**

A resource center/library is under development in connection with the Career Center. Books, materials, personnel, and supplies will be procured as funds and acquisition opportunities become available. The phone number is 706-295-6854.

#### Hours

The Career Center is open between 8 AM and 4 PM, M - F.

 Evening training sessions are available by appointment on Tues days and Wednesdays.

# **Full-time Faculty**

Adams, Nancy-Business Division Chair, Instructor, Business and Office Technology; Ed.S., West Georgia. Anderson, Margaret-Instructor, Business and Office

Technology; M.A., Pacific Union College.

Bentley, Bill-Instructor, Automotive Technology;

Chevron Training Center, Master GM Technician, Nissan Specialist.

Boswell, Shelor-Instructor, Business and Office Technology; M.Ed., West Georgia.

Brooks, Colleen-Instructor, Adult Literacy; B.A., Carson Newman College.

Burchett, Jean-Instructor, Business and Office Technology; Ed.S., West Georgia.

Bumgardner, Daniel-Instructor, Construction Management; B.S., East Tennessee State.

Cantrell, Anthony R.-Instructor, Computer Information Systems; A.A.S., Floyd College.

Carney, Jan-Instructor, Computer Information Systems; B.S., Georgia State University. Microsoft Certified

Professional CISCO Certified Network Associates.

Carter, Barry-Instructor, Auto Collision Repair Technology; Diploma, Carroll Technical Institute.

Carter, Jack-Instructor, Academics; B.S. Jacksonville State University, M.A. Ed., University of Alabama.

Carter, Jennifer- Instructor, Computer Information Systems, B.S., Berry College, M.Ed., West Georgia.

C.N.A., MCSE, CIW Associate.

Carter, Paul-Instructor, Marketing Management, M.B.A., University of Georgia.

Clay, Ann-Instructor, Adult Literacy; B.S., Auburn University.

Cochran, Kathy-Instructor, Nursing; Diploma Piedmont Hospital School of Nursing, B.S.N., West Georgia.

Coffman, Betty-Instructor, Medical Assisting; M.Ed., Georgia State University.

**Delfalco, Samuel**-Instructor, Management and Supervisor Development; B.S.B.A., Century University.

**DiPrima**, Lisa-Instructor, Developmental Studies; B.S., University of Georgia.

Ditch, Michael-Instructor, Accounting; B.S., Ferris State, Juris Doctor, Woodrow Wilson College of Law

Dulaney, Muriel-Instructor, Accounting; B.S., West Georgia College.

Earley, Michelle Lee-Instructor, Business and Office Technology; B.S., Covenant College.

**Evans, Cecil (Gene)**-Instructor, Industrial Electrical Technology; Diploma, Coosa Valley Technical Institute, A.A.T., Chattahoochee Technical Institute. Gaines, Kay-Instructor, Business and Office Technology; M.Ed., West Georgia.

Hawkins, Faith-Instructor, Business and Office Technology; Ed.S., West Georgia.

Henderson, Gail-Instructor, Cosmetology; A.S., Georgia State University.

House, Rick-Instructor, Industrial Electrical Technology; Diploma, Coosa Valley Technical Institute, A.A.T., Chattahoochee Technical Institute.

Hubbell, Stephanie-Instructor, Business and Office Technology, Curriculum Coordinator; B.B.A., Kennesaw State College.

Jenkins, Bart-Instructor, Machine Tool Technology; Diploma, Coosa Valley Technical Institute, A.S., Floyd College.

Jenkins, Trish- Instructor, Business and Office Technology; B.S., Tampa University, M.B.A., Florida Metropolitan University.

Kilgo, Lori-Instructor, Radiology; Diploma, Coosa Valley Technical Institute, A.A.S., Floyd College.

Kizziah, Pam-Instructor, Business and Office Technology; B.S., Berry College. Microsoft Office User Specialist Master.

Lamberth, Ricky-Instructor, Air Conditioning Technology and Advanced Air Conditioning Technology; A.A.T., Chattahoochee Technical College.

Layne, Mark-Instructor, Radiology; Diploma, Coosa Valley Technical Institute, A.A.S., Floyd College.
